

## DISTANCE EDUCATION ACCREDITING COMMISSION

# STUDENT ACHIEVEMENT DISCLOSURE FOR THE PUBLIC

DEAC accredited institutions offer a broad array of instructional programs and student support services to meet varied educational and professional goals of a highly diverse student population. Institutions determine appropriate performance criteria to measure the success of their students in achieving their goals in the context of the institution's specific mission and scope. You will find below (1) a summary of how this institution measures student achievement in the context of the institution's mission and educational programs, and (2) student achievement metrics which the institution believes best reflect student and program performance. For more information about DEAC standards and requirements, please visit [www.deac.org](http://www.deac.org).

and published on its website on December 13, 2019

## Summary of Institution Mission and Student Achievement

California Intercontinental University (CIU) offers relevant accredited online programs designed to enhance each student's professional career and is committed to equip business professionals, leaders, and entrepreneurs with the confidence, qualifications, and competence to succeed in the global business community and economy.

CIU is a business University focusing on Entrepreneurship, Global Business, Healthcare, Information Technology, and Project Management.

As of 2018, the associate and doctorate programs at CIU met or exceeded the Graduation Rate Benchmarks as set by the Distance Education Accrediting Commission (DEAC). The graduation rates for the bachelor and master programs are showing continued improvement as the University strives to enhance the student experience in the classroom by updating programmatic curricula, recruiting exceptional faculty, and offering strong student support services. In June 2019, the university received approval to begin offering Title IV funding to eligible students enrolling in the associate degree programs and expect that enrollment will grow as a result. In summary, all of our degree-granting programs are now eligible for Title IV funding.

## Aggregated Institutional Data on Student Achievement
